TO: Mayor Philip Levine and Members of the City Commission

FROM: Jimmy L. Morales, City Manager

DATE: June 18, 2015

SUBJECT: Health Insurance Premiums for Benefit Year 2015/2016

This Letter to Commission is to inform you that insurance premiums for the subject plan year will not go up for those active and retired enrollees (1,108) who elected the low HMO plan (1,469 total active and retired enrollees). There will be a slight adjustment among the other plans to reflect the loss experience of each.

Please let me know if you have any questions or need any additional information.
